

You can't have success without teamwork and leadership! Make 2018 an inspiring year for your team and invite them to attend this Leadership Luncheon.

We are pleased to have as our featured speaker:
Guy Weitzman, Atomation
who will present

“What Impact can the Internet of Things (IoT) have on YOUR Business”

In addition, we will recognize our 2019 Industry Award Scholarship Recipients and our 2017-18 Michael A. Postiglione Award Winner (listed on 2nd page) at the April 11, 2019 luncheon.

For his work with the Connect-4-Success Program

**Let's show we "personally care" for those in
our community at this luncheon**

EBMI wants to continue our community involvement and are counting on you to help us once again. We hope you (and your guests) will bring a few personal care items to donate to the Girl Scouts Corporate April Shower Drive. These are then donated to their partners, Operation Food Search, who distribute items to over 200 shelters and pantries. If ordering a table, please let your guests know about this project. If you can't attend luncheon, but wish to donate, please drop off at EBMI office.

Personal care items needed: deodorant, diapers/baby care, facial tissues, first aid supplies, mouthwash, shampoo, soap, toilet paper, toothbrushes, toothpaste, etc.
