IT'S TIME TO RECONNECT WITH CUSTOMERS!

Our EXPO is ONLY held every 3 years and can offer YOUR COMPANY the POWER to ...

- ✓ **Re-connect with regional decision makers**
Over 1,350 attendees (not including exhibitors) in 2020!
(Our show was held on March 11-12, 2020. Over 775 attendees pre-registered but could not attend due to company concerns with covid. However, in 2017, we had 2,435 attendees.)
- ✓ **Generate sales opportunities and concentrate your attention on attendees who want to learn about industry topics at our seminars and products/services at your booth**

Note: 1,716 participated in our 2020 seminars!

(We had 3,022 pre-registered attendees for our seminars, but due to circumstances at that time, they could not all attend.)

- ✓ **Showcase new or improved products to attract customers and get the edge on competitors in this tight market**
Educating consumers on your new or existing products is key to generating sales. Does your company have a product that has the opportunity to win our Expo 2023 Award for Best New Product?
- ✓ **Reach ALL segments of the industry in ONE venue**
Gain new contacts from contractors, distributors, engineers, utility, industrial, government and more in Missouri and Illinois ... all within 2 days!

**Limited space available! (See details on back!)
Only 200 booths! SOLD OUT early in 2020!**

900 S. Highway Drive • Suite 203 • Fenton, MO 63026

Return Service Requested.
