LET'S TALK...

Election of Officers and Board of Directors.

We sent all EBMI members the official ballot by email and collected your votes using the jotform format. If your company does not allow you to use jotform, please contact me and I'll send you a ballot by email.

The nominees were listed in the March FLASH. We will announce the results in the May FLASH.

EXPO REGISTRATION IS NOW OPEN

Attendees and exhibitors can ONLY register for the Expo and seminars ONLINE at www.electricalboard.org. We will NOT take any registrations over the phone. Our website will also provide a list of exhibitors with their booth numbers, hotel info, seminar descriptions and much more.

SIGN UP TODAY!!!

Volunteers needed at Expo

We need volunteers to help during the Expo. We have 20 seminars scheduled over the two days that need volunteers to scan badges and pass out hand outs and pdh letters. Registration is another area that help will be needed since all attendees need to scan a QR code to get their badge. This is the first time handing out badges this way, so we need to assist attendees through this process.

If interested in helping, please email annie@electricalboard.org and let her know which day you prefer. We normally assign 2-3 hour shifts so that you can also visit the booths.

EXPO PRE-SHOW BROCHURE

My apologies to Guarantee Electrical. I did not list them as a ¼ page advertiser in the Expo Pre-Show Brochure last month.
