# Volunteers needed at Expo

We need volunteers to help during the Expo. We have 20 seminars scheduled over the two days that need volunteers to scan badges and pass out hand outs and pdh letters. Registration is another area that help will be needed since all attendees need to scan a QR code to get their badge. This is the first time handing out badges this way, so we need to assist attendees through this process.

If interested in helping, please email

annie@electricalboard.org and let her know which day you prefer. We normally assign 2-3 hour shifts so that you can also visit the booths.

# EXPO REGISTRATION IS NOW OPEN SIGN UP TODAY!!!

Attendees and exhibitors can ONLY register for the Expo and seminars ONLINE at <u>www.electricalboard.org</u>. We will NOT take any registrations over the phone. Our website will also provide a list of exhibitors with their booth numbers, hotel info, (<u>must use Group Codes provided on our</u> <u>website for Embassy Suites and Ameristar- don't delay</u> <u>there a limited number of rooms available</u>), seminar descriptions and much more.

Q & A Panel: Rick Hill, St. Louis County Inspection Brian DeCarlo, St. Louis City Inspection St. Charles County

This presentation reviews and analyzes key changes to the 2023 National Electrical Code by highlighting and explaining revisions to residential, commercial and industrial design and installation requirements. This seminar helps professionals learn the significant changes on topics such as conductors, grounding, surge protection and outdoor emergency disconnects for dwelling units.

This Code Conference will fulfill the 8 hour-code <u>City of St.</u> <u>Louis' and Jefferson County</u> license requirement for continuing education provided <u>THE LICENSEE</u> attends the full eight hours of the Conference. You MUST attend BOTH sessions AND make sure your badge is scanned each time!

The fee for the Code Conference is \$275 with registrations made before 8-1-23 and \$335 for registrations made after the 7-23-23 deadline. This fee includes <u>LUNCH</u> and the book "Analysis of Changes, 2023 NEC" which each registrant will receive and can be picked up the morning of the conference. This analysis book covers almost 400 changes made in the 2023 NEC. <u>A PHOTO</u> <u>ID IS REQUIRED TO RECEIVE THE ANALYSIS BOOK</u> <u>AT INSPECTORS TABLE.</u>

The revised 2023 Analysis now concisely answers three critical questions:
